MEMORANDUM FOR: Legislative Counsel

ATTENTION: [REDACTED]

25X1

FROM: Robert W. Gambino
Director of Security

SUBJECT: House Select Committee on
Assassinations Follow-up Request (U)

1. (U/AIUO) Action Requested: None; for information only.

2. (S) Background: Reference is made to the attached request dated 15 March 1978 (OLC 78-0448/2). The House Select Committee on Assassinations (HSCA) has expressed an interest in reviewing all files pertaining to Projects [REDACTED] for the period August 1963 - December 1964.

(S) A search of records of the Office of Security has disclosed no record of [REDACTED] Information located on Projects [REDACTED] is outside of the time frame of interest. Minimal material has been found regarding [REDACTED], particularly within the time period requested. This material, which consists primarily of a request to update a Covert Security Approval on an individual of interest to [REDACTED], originated with [REDACTED] Coordination with the Office of the Special Assistant to the Deputy Director for Operations for Oversight indicates that the HSCA request would be more appropriately handled by [REDACTED] Division of the Directorate of Operations in view of the [REDACTED] diagram. In view of the foregoing, no material will be made available by the Office of Security.

(C) If you have any questions regarding the above, please contact [REDACTED] of this Office.
